

and persons with serious underlying health conditions. New information about the implications of this virus is ongoing.

3. The World Health Organization declared COVID-19 a worldwide pandemic as of March 11, 2020.
4. On March 13, 2020, the President of the United States declared a national emergency concerning the coronavirus, specifically stating that, in “December 2019 a novel (new) coronavirus known as SARS-CoV-2 (“the virus”) was first detected in Wuhan, Hubei Province, People’s Republic of China, causing outbreaks of the coronavirus disease (COVID-19) that has now spread globally [...] The spread of COVID-19 within our Nation’s communities threatens to strain our Nation’s healthcare systems. [...] Additional measures [...] are needed to successfully contain and combat the virus in the United States.”
5. On March 13, 2020, Wyoming Governor Mark Gordon declared a State of Emergency and Public Health Emergency in the State of Wyoming, stating that on March 11, 2020, an individual within the State of Wyoming tested presumptive positive for COVID-19 and the State of Wyoming is experiencing a public health emergency in response to the evolving COVID-19 outbreak.
6. Governor Gordon’s Declaration of a State of Emergency and Public Health Emergency directs the Wyoming Department of Health to take all appropriate and necessary actions, and that in the judgment of the Director of the Wyoming Department of Health, any actions necessary should be taken to provide aid to those locations where there is a threat or danger to public health, safety, and welfare.
7. A significant number of Wyoming citizens are at risk of serious health complications, including death, from COVID-19. Although most individuals who contract COVID-19 do not become seriously ill, people with mild symptoms, and even asymptomatic persons with COVID-19, place other vulnerable members of the public at significant risk.
8. A large number of persons with serious infections may compromise the ability of healthcare systems in Wyoming to deliver the necessary healthcare to the public.
9. Wyoming Statute § 35-1-240(a)(i), (ii), (iii), and (iv) provides all the rights and powers for the Wyoming Department of Health, through the State Health Officer, Dr. Alexia Harrist, MD, PhD, or under her directive through other employees of the Wyoming Department of Health, to control the causes of communicable disease; and to forbid gatherings of people when necessary to protect public health.
10. In addition to the above findings, stopping the spread of COVID-19 includes washing your hands often, practicing social distancing by avoiding close contact with others, staying at least six feet away from someone who is ill or showing signs of illness, avoiding touching your face, eyes, nose and mouth, covering your cough or sneeze into your elbow or by using a tissue, and by wearing a face covering when in public.

ORDER

1. As used in this order "Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers the nose and mouth and surrounding areas of the lower face.
2. Gatherings of more than fifty (50) people are prohibited in order to help stop the spread of COVID-19 and protect the health of the public.
